

Unity West School Improvement Plan 2009-2010

Unity West Elementary School will:

- **set grade level goals that are Specific, Measurable, Attainable, Results-Oriented, and Time-Bound (SMART).**
- **hold academic grade level celebrations at least quarterly.**
- **identify essential skills necessary for success at all grade levels in math and reading.**
- **continue to use Measure of Academic Progress (MAP) and Dynamic Indicators of Basic Early Literacy Skills (DIBELS) to identify strengths and weaknesses in our core curricula and individual students.**
- **increase core reading instruction to 90-minutes per day.**
- **build enrichment and intervention time into the daily schedule to address students' diverse needs.**
- **continue to be recognized by the State of Illinois for outstanding implementation of Positive Behavior Intervention System (PBIS).**
- **provide teachers the opportunity to take more responsibility for their own professional development, which includes attending conferences, reading books, and implementing new strategies in their classrooms and sharing the results with their grade level and/or the rest of the faculty.**
