All ice cream is to be eaten outside
- 2:30** Return to rooms for dismissal

PBIS COOL TOOL

School-Wide Expectation: Respect others, Respect property, Be there; be ready

Name of the Skill: Fun Day Expectations

PURPOSE: Introduce the Rule/Why It's Important

Today we are going to talk about our Fun Day plans for next Tuesday, June 2nd. This years Fun Day is going to be the biggest and best Fun Day ever! We are going to cover the different events going on at Fun Day and talk about our classes schedule. At Unity West Elementary School we talk about "having a plan" and "following expectations". At Fun Day it will be very important that we do our best with these two ideas.

TEACHING EXAMPLES: Demonstrate the Rule (expected behavior vs. problem behavior—Good vs. Bad)

1. Teachers I have included our plan for Fun Day. Please look through it and share the plan with your students.
2. When our morning activities and afternoon activities are going on please let your students know that they are to use the restroom by the music room only! We do not want students walking the hallways.
3. Explain to your students that from the time they go to lunch-12:40 that it is a break time. The afternoon activities do not start until 12:40. Anyone coming out before that time will be sent back in.
4. We will have water delivered to your classrooms during or after the Awards Assembly.
5. There will be a nurses station outside on the baseball diamond fence. Students should be sent there instead of inside. Mrs. Gateley wants to remind all students and staff to wear sun screen.
6. Ice cream will be brought outside and eaten outside at 2:00pm. 1 item per student. Please pick up your trash.
7. We have a tentative Fun Day plan set for rain just in case. I will pay attention to the weather during the week and give it to you if I think we might need it.

KID ACTIVITIES/ROLE PLAY

1. Discuss with your students that Fun Day is a reward for their great behavior. There will be a lot of parents and volunteers here for Fun Day. Please be on your best behavior and make good choices.
