

Unity West Rocket Report

June 1, 2010

Dear Parents and Guardians,

I would like to thank you for the opportunity to educate your children. It has been wonderful watching them develop physically and intellectually this year! Please have your children continue to practice their sight words and math facts over the summer. Even if they know 90% now, chances are they are not in their long term memory yet. Unless they continue to review over the summer, they may lose their newly acquired knowledge.

We will kick-off Fun Day tomorrow with an Awards Assembly, which will begin at 8:30 am in the gym. We have attempted to notify parents of children being recognized at the assembly. Everyone is welcome to attend! I would like to thank Vickie Frank and Deanna Spivey for Co-Chairing our Fun Day Celebration and all the parents that donated their time, money, or prizes to make Fun Day a memorable event.

Our Fifth Grade Student Council will be selling lemonade during Fun Day, with proceeds going to Alex's Lemonade Stand Foundation, a non-profit organization that helps children battling cancer and their families. A suggested donation is 50 cents, but any amount is welcome.

You have until June 15 to order school supplies online from School Supplies America. Go to www.schoolsuppliesamericaonlineorders.com. If you want to complete the order form by hand and have us complete the order for you, you must send in your order form tomorrow, Wednesday, June 2.

SUMMER BOOK CLUB and AR at Unity West!

Mrs. Fender and I will be in the Unity West library on Monday nights during June (7, 14, 21, and 28 and July (5, 12, and 19). Students may come and check out books and take AR quizzes. **NEW:** This summer's AR points will count towards next school year's AR totals. Students may earn the same AR prizes this summer as during the school year. I hope you will take advantage of this wonderful opportunity!

Have a safe and enjoyable summer!

Janet Ellis-Nelson
