

# Mrs. Udry's Second Grade News January 30, 2012

**Check out our class site!—[www.udry.net](http://www.udry.net)**

## What's New this Week

We will wrap up our dinosaur unit this week. Students will use their research to write five paragraphs. They will also present a speech about their dinosaur to the class.

In math, we will wrap up our measurement unit this week. We will also finish Subtraction in Action. This is the last week of double homework!

We will be learning more about Earth this week. Students will create a class compost pile. We will study what happens to our lunch leftovers after a couple of weeks.

## Homework for this Week

**Monday**— Spelling Words 2x & Flipper WS

**Tuesday**—Practice Math Test & Flipper WS

**Wednesday**— Practice Speech & Flipper WS

**Thursday**—Fluency Passage & Flipper WS

## ***A Little Note***

Miss Karr has been such a great help in the classroom. Each week, she will be taking over more teaching responsibilities. Next week, Miss Karr will begin teaching the concept of main idea to the students.
