The Next Two Weeks...

Math

This week we will continue to practice adding and subtracting facts to 18. We will also learn how to add two-digit numbers! As the end of the year approaches we will be reviewing all the math concepts we have learned throughout the year and taking our 4th quarter assessment.

Spelling

This is our last spelling test of the year! This week's spelling words all have "ink" in them the words are: **drink, wink, think, sink, clink, and blink.** Challenge words are: **sprinkle, wrinkle, shrink,**

undrinkable, twinkies, and oink. Please be sure your child is practicing his/her spelling words at home.

Reading

This week we will continue to focus on giving an extended response to an answer. Also this week and through the rest of the year we will be reviewing nouns, verbs, synonyms, antonyms, proper nouns, pronouns, homophones, and homonyms.

Language

This week we will be working with the "ink" word family. This week's sight words are: **let,**

just, around, us, together, and myself.

After this week we will be reviewing all the sight words we have learned this year.
