 - March 14-Daylight Savings Time Begins

Media

Hello,

First I would like to introduce myself. I am Amanda Wilson and I plan the Family Fun Night for Unity West. This is a fun filled evening for families to spend together. The date has been set for April 9th from 6-8 pm. I am asking to see if there are organizations or students who would like to donate their time or resources and volunteer to help us host the event. We need volunteers to help run the carnival games so the parents and students can enjoy the night together. We are also in need of those who may be good with face painting. Face Painting is always a huge hit so we can't ever have too much help. If you can spread the word and have interested parties contact me by email: ayw1977@mchsi.com or phone #'s (h)485-3716 or (c)840-2084.

Thank You,

Amanda & PTO Family Fun Night Committee

PTO Meeting will be
 Tuesday, February 9, 2010
 at 6:30pm
 in the UW Media Center

Information for Parents

BOX TOP UPDATES

Another month of incredible collection efforts by our Unity West students, families, and friends! In December/January we collected 3,037 box tops. Ms. Davidson and Mrs. Noerenberg's classes were the winners of the Hot Chocolate Party. Mrs. Kamradt and Mrs. Noerenberg's classes are leading for the primary and intermediate wings. First Grade and 3rd Grade are leading the standings for the grade levels. At the end of February it is submission time again. This will be our last official submission for the school year. We are well on our way to making our goal of \$4,000. We need 17,440 to make our goal. The collection sheet for February will be sent home today and will be posted online at our

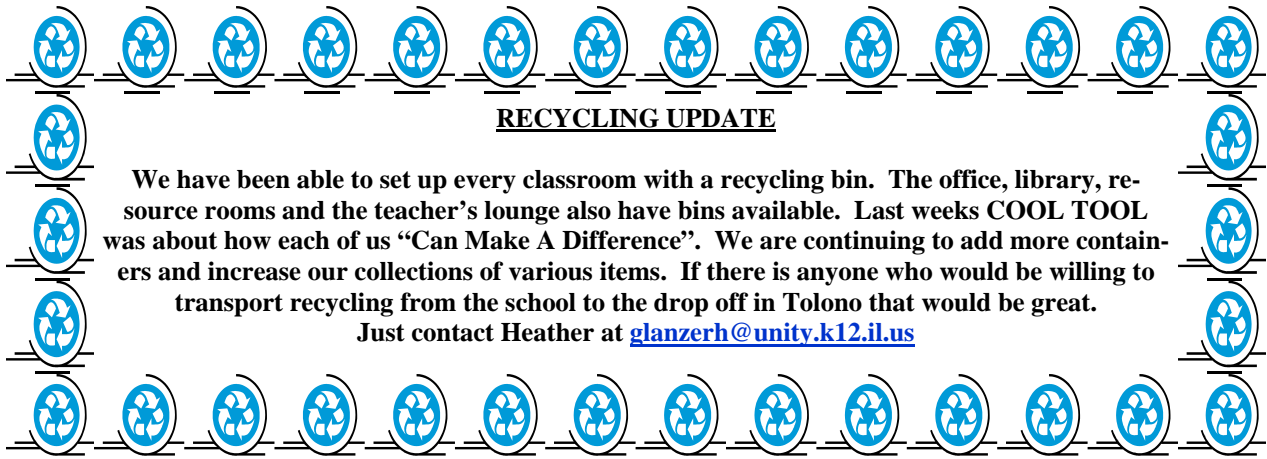

Website <http://www.unitywestelementary.com/Boxtops/indexboxtops.html>.

We are doing another WEBKINZ drawing for February. We will draw a primary and intermediate winner. Students will receive one ticket for every 25 box tops they turn in between Feb 1 and Feb 26.

The plans are to use our box top money to purchase various items to enhance our current technology available to our students. Thank you again for your support and keep on clipping!!

We are collecting Campbell's soup labels again this year. Please send them in an envelope or paper bag.

RECYCLING UPDATE

We have been able to set up every classroom with a recycling bin. The office, library, resource rooms and the teacher's lounge also have bins available. Last weeks COOL TOOL was about how each of us "Can Make A Difference". We are continuing to add more containers and increase our collections of various items. If there is anyone who would be willing to transport recycling from the school to the drop off in Tolono that would be great.
